RIVER VALLEY
HOME HEALTH & HOSPICE

Bridge Program

River Valley's Bridge Program is available to assist community members who are struggling with serious or chronic illness.

This program is a complementary service for our communities.

If you or your loved one does not require a skilled service of home health or hospice, our palliative social worker can assist with:

- Helping navigate the health care system
- Assessing future care needs
- Linking patients to community resources
  - Caregiving agencies
  - Long term care options
  - Meals on wheels
  - Arizona Long Term Care System
- Providing resources for support groups
- Dementia resources
- Advance Directives
